BECOME AN MD ADMISSIONS RATER & SELECT THE NEXT CLASS!

Annually, the MD program at the University of Toronto receives over 4000 applications for 289 domestic seats. After all applications are screened for our minimum MCAT and GPA requirements, the eligible ones proceed to file review. Approximately 2000 files will undergo an in-depth file review. After this, the top candidates will be invited for an interview. Enrolment Services - Undergraduate Medical Education recruits physicians, residents, medical students, health care professionals, and members of the community at large to volunteer by participating in the admissions process as raters.

Get involved by evaluating written applications and/or rating video interviews!

File Review

Components:
- **Brief Personal Essays (BPE):** 2 short essay responses to probing questions
- **Auto-Biographical Sketch (ABS):** structured list and 1 essay regarding various life experiences
