

TTD-5 Assessing patients with common medical or surgical presentations

Transition to Discipline (TTD) constitutes your PGY1 (13 blocks).

Residents should aim to log a minimum of 2 EPAs per week.

Criteria:

1. Residents are responsible for completing a minimum of 7 (-seven) TTD5 EPA's.
2. Residents should aim to complete 7 (-seven) entrustable TTD5 over the course of the rotations listed below (mandatory minimum of 1 for Cardiology, Emergency Medicine, General Surgery, Internal Medicine, Respiriology, Paediatrics).
 - a. A minimum of 2 (-two) entrustable EPA's must be Medical Presentations
 - b. A minimum of 2 (-two) entrustable EPA's must be Surgical Presentations.
3. To be completed by a faculty member, fellow, or senior resident.

Dimensions:

1. This EPA includes performing a clinical assessment, including history and physical exam, developing a differential diagnosis, and selecting and prioritizing laboratory and imaging investigations.
2. This EPA will be observed in the ambulatory, emergency department or inpatient setting, with adult and pediatric patients, in a range of clinical conditions.

Rotations to Complete this EPA include:

- Cardiology (1 required)
- Emergency Medicine (1 required)
- General Surgery (1 required)
- Internal Medicine (1 required)
- Neurology
- Obstetrical Medicine & Gynecology
- Orthopedic Surgery
- Paediatrics (1 required)
- Respiriology (1 required)
- Urology

How to Complete an EPA:

1. Login to Elentra, initiate the EPA and provide the assessment demographics. This can be done on your mobile phone or computer.
2. Complete the assessment scale for each dimension.
3. Using the global entrustment scale below, decide whether the resident can be entrusted (Competent and Proficient) overall to perform this activity with a similar case in the future. In general, residents are not expected to be entrustable early in a new stage of training.
4. Discuss feedback and attain coaching tips.

If you have any questions, please contact us at radiology.residency@utoronto.ca with the subject line "CBD Question"

Intervention	Direction	Support	Competent	Proficient
--------------	-----------	---------	-----------	------------
